

THE FACE OF **AUTISM** IS NOT ALWAYS OBVIOUS

BUT THE POTENTIAL CHALLENGES ARE!

Help Minimize These Challenges - Alert Peace Officers with:

COMMUNICATION IMPEDIMENT

Adding Communication Impediment to your driver license is simple:

- 1 Have your physician complete and sign a Physician's Statement Form (DL101) affirming the autism diagnosis.
- 2 Visit your local driver license office for a driver license application (DL14A/S). Complete Line 7.

For all Driver License forms go to www.dps.texas.gov/DriverLicense
